Experience it! 6 Horse back ride

Get on the back of a horse that is led by the staff and gently walk around the grassy field.Enjoy a higher point of view as you sit on the horse's back and take in scenery.

Experience it! 7 Country bus tour

Hop on the country bus that is towed by a tractor and slowly rook through the fields and the farm yard.

Green space

●Futsal soccer court
●Free balls and other play toys available

Experience it! 5 Cow milking

This is an activity where you can get fresh milk by using with your own hands. After you milk the cow you can taste the fresh milk.

Experience it! 9 Dairy and field work

In this activity you will experience the king of work that normally takes place on farm.

Experience it! 8 Seasonal harvesting

Experience harvesiting the carefully grown organic vegetables of our farm.
●Potatoes (July/E-Otober/B)
●Corn (August/M-September/M)

BBQ Hokkaido's fresh vegetables and meat, steak and Mongolian BBQ along with our salmon BBQ(Group menu)

Souvenirs! 11 Farm shop

Here you will find souvenirs and products made on our farm.

Experience it! 10 Petting zoo

Sure it is fun to even see animals such as cows, horses, rabbits and sheep, but here you can actually touch the animals!Great fun for kids!

Taste the original flavour of the ingredients by using our meat and fresh milk. For those interested in trying these various activities please feel free to ask the staff at the "Farm shop".

Experience it! Activity studio

1. Sausage making
2. Soft Caramel making
3. Cheese making
4. Butter churning

*For activity fees for the activities listed above please see the front page of the brochure. *We offer snow related activities for the winter season. Please see the front of the brochre.

★Here at the Hakone Farm we offer a place for cultivating the aesthetic sentiments through experiencing nature, agriculture, livestock and homemade products that require the use of all five senses.
